

2025 Exhibitor Information

In our 23rd year, the Ohio Fuel and Hydrogen Symposium attracts nationwide attendees, companies, manufacturers, suppliers, public and government entities, organizations, research institutions, universities, and colleges that are doing significant work in the fuel cell and hydrogen industry. **This year, we are proud to announce with our Leadership Partner, Honda, that the Symposium will be at the Honda Heritage Center, 24025 Honda Parkway, Marysville, OH 43040** (see map below). We have two full days of events and prime networking opportunities available for you to broaden your network.

Benefits for Exhibitors:

- Helps establish and build collaborative relationships and partnerships with companies from Ohio and from throughout the United States
- Showcases your newest products and capabilities
- Solidifies your company's industry presence and commitment as a legitimate source for industry solutions
- Extends your reach to new avenues of revenue and expands your customer base
- Maintains your competitive edge and provides great marketing value for your organization
- Opportunities to network with Fuel Cell and Hydrogen industry leaders, trade organizations, key academic researchers, political decision-makers, and the media
- Ability to obtain feedback from colleagues and prospective customers
- Explore new product offerings from other exhibitors that complement your current product line

Exhibitor Information:

- **Exhibitor fees are only \$505.00 for OFCHC members and \$725.00 for non-members.**
[Register here.](#)
